

Secondary

What do you think about RE in your school?

This questionnaire will help your school decide how well you are learning in RE.

1. What do you like best about RE?	
2. RE lessons mean you have the chance to talk about big questions about life. What are some of the things you discuss in RE?	
3. What kind of important questions do you ask in RE?	
4. How often do you learn about people who have different beliefs from you?	
5. On a scale of 1-5 (1 = high, 5 = low) how much challenge do you have in RE?	
6. How do you know what to do to improve your work in RE?	

<p>7. What are some of the ways you show what you know through art, drama or other creative ways?</p>	
<p>8. What sort of visits, artefacts, stories or art do you use to explore ideas in RE?</p>	
<p>9. What did you learn from the last visitor you had in RE?</p>	
<p>10. Please give some examples of how you explore and learn about local, national and global communities.</p>	
<p>11. What would make your learning in RE even better?</p>	
<p>12. Is there anything else you would like to say?</p>	

Thank you for giving your ideas about RE in your school.
